

2019 ESTATE BARBERA

Vineyard: Cascade Cliffs

Cases Produced: 625

Cooperage: 12 months American Oak

Aging: Drink now to 2026

Tasting Notes: Our Estate Barbera is a classic, Italian style, full of bright red fruit flavors, mouth-watering acidity, and a long, vibrant finish. We also used a fair amount of new oak to make this wine, giving it more structure and a toasty character. Pair this delicious wine with rich pasta dishes.

2019 BLOOD RED BARBERA

Vineyard: McKinley Springs

Cases Produced: 833

Cooperage: 12 months American Oak

Aging: Drink now to 2026

Tasting Notes: The term "Blood Red" implies a rich, extracted style, packed with ripe cherry and blackberry flavors. The finish is still vibrant and lively, due to Barbera's naturally high acidity, and gives this fruit-bomb an element of balance.

2019 NEBBIOLO

Vineyard: McKinley Springs (70%), Cascade Cliffs (30%)

Cases Produced: 310

Cooperage: 12 months American Oak

Aging: Drink now to 2028

Tasting Notes: An elegant wine, with subtle, dried strawberry and cherry notes, framed by an earthy boldness. This is a great Nebbiolo for those unfamiliar with the varietal, showcasing both restraint and intensity. Pair this wine with herb-crusted pork loin and garlic roasted potatoes.

2019 PIACERE

Vineyard: McKinley Springs (30%), Six Prong (30%), Mission Hills (30%), Cascade Cliffs (10%)

Cases Produced: 310

Cooperage: 12 months American Oak

Aging: Drink now to 2027

Tasting Notes: Made from 60% Nebbiolo and 40% Barbera, our newest Piacere (pee-AH-cherry) combines the ripe fruit of Barbera with the drier character and complexity of Nebbiolo. Delicious now, this is a wine that will continue to evolve and marry flavors and textures for years to come.
